**Good Friday** (10<sup>th</sup> April 2020) & **May Bank Holiday Friday** (8<sup>th</sup> May 2020): Collections as normal.

Bins should be presented for collection by 7am and returned to your property as soon as possible after emptying. All waste should be contained in the bin with the lid closed.

All recycling materials should be clean. Please remember to 'rinse and squash' bottles and cans etc. Flattening boxes and crushing cans will allow you to fit more in your bin and will make the materials easier for us to handle.

### Yes Please

- Paper, cardboard, juice & milk cartons.
- Plastic bottles, yoghurt pots, margarine tubs, plastic ice-cream tubs, plastic food trays.
- Cans & tins, metal lids from jars, empty aerosol cans, aluminium foil.
- Glass bottles & jars

All recycling should be clean and free from food or liquid waste.

No black sacks please

No batteries

Did you know we are unable to accept clothes/shoes/textiles in the green bin?

Some old green bins have out of date information printed on the lid.

### No Thank You

- Black bags; food waste; household waste; nappies; sanitary products; pet waste; tissues or cotton buds.
- Electrical items; batteries; paint; oils; mirrors; sheet glass; gas bottles or extinguishers.
- Clothes; toys; polystyrene; crisp packets; sweet wrappers; cling film; garden waste.

If you put the wrong materials in the recycling bin, we may not be able to empty it. Dealing with contaminated recycling costs a lot of money. More information is available on the Council website: [www.wellingborough.gov.uk](http://www.wellingborough.gov.uk)

**Please recycle right: help us to improve the quality of our material and reduce costs.**
